Why are you interested in being a Neighbourhood Rep?

What skills do you think you will use in the role? (Include all types of skills from raising a family, employment, volunteering, looking after others, etc.)

Some parts of the role may mean that you work closely with members of the public. We therefore need to ask you to disclose if there is anything that would make you unsuitable for the role. (For example, unspent criminal or civil charges, ASB cases or rent arrears with NCCHS) Please give details here – a ‘yes’ does not necessarily mean that you will not be accepted).

Is there anything else you would like to tell us?

Once completed please send this form back to us at involved@nottinghamcity.gov.uk.
